

# RISE ABOVE IT

## What Is *Rise Above It*?

*Rise Above It* is a demanding and transformative faith formation program calling participants to move beyond comfort, complacency, and routine Christianity. This series challenges us to respond fully to Christ's call through:

- **Radical Conversion and Repentance**

A direct confrontation with sin, self-deception, and half-hearted faith—calling for real change of heart and life.

- **Discipleship: Following Christ as the Way**

Learning what it truly means to follow Jesus—not in name only, but in obedience, sacrifice, and daily commitment.

- **Divine Love in Action**

Living the love of God visibly and courageously through truth, responsibility, and concrete acts of faith.

This is not a passive program.  
It is a call to rise—to live the Gospel without compromise.
